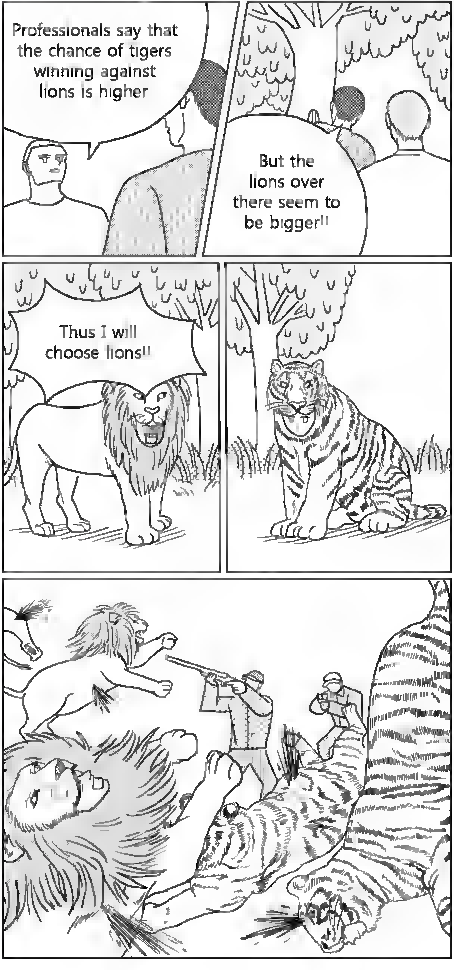
10th Dimension Boys

109. What Should We Do

We can disguise as tigers
HUH!!?!
O, o, o, ov, over there!!!!
Lions are coming here on the opposite side!!
Then we should disguise as lions
We have to choose only one, Songjo!!



Professionals say that the chance of tigers winning against lions is higher
But the lions over there seem to be bigger!!
Thus I will choose lions!!

By Cutbu

Should've chosen human
